Tour Date: _____ Tour Time^{**}: _____

Thank you for choosing to spend some time with us, we look forward to meeting you and showing you "Alaska like you've never seen it before" with your adventure, made to order!

Totally relax on your own private tour. This tour includes whale-watching based on your group preferences. Because this is a private tour, the amount of time engaged in each activity is up to you! On this exciting tour your sights may include sea lions, eagles, light houses, glaciers in the distance, harbor seals, orca whales, and possibly even bears!

To ensure to the best possible experience, please rank your areas of interest below in order of preference (1, being most preferred, through 4, being least preferred). You do not have to choose everything, just what interests your group!

- ☐ **Whale Watching** – Embark on your adventure to witness the annual humpback whale migration to Alaska's nutrient-rich waters. Observe adults with their calves feeding, playing or simply basking in the sunlight.
- ☐ **Viewing other wildlife** – Search for other wildlife including sea otters, sea lions, seals, bald eagles, sea birds, deer or even brown bear – all in their natural habitat.
- ☐ **Scenery – lighthouses, glaciers, and mountains** – With an abundance of breathtaking views, your captain and naturalist seek out the best areas and share local knowledge while you absorb Alaska's majestic beauty.
- ☐ **Photo opportunities** - Explore with light, angles and subjects in mind. Your captain will do his best to seek out the most favorable photo opportunities to capture memories of a lifetime.
